

**FOR CUSTOMS AND NATIONAL PLANT
HEALTH INSPECTION SERVICES**

MANUFACTURER'S CERTIFICATE

We confirm that the wooden packing materials manufactured by **KIFA AG** and marked with the IPPC-Logo and our IPPC-manufacturer number

can be exported by our clients to
ANY COUNTRY asking for IPPC / ISPM 15 regulations
as they meet all the criteria of the **FAO-IPPC-ISPM 15** measures.

The wooden packing materials are free from plant pests.
The wood has been heat treated at a minimum temperature of 57° Celsius during a period of at least 30 minutes.

We confirm that these wooden packing materials are totally free from any plant pests according to the ISPM 15 regulations.
